

Below is a compilation of text messages from the abandoned cell phone of Army Captain Jose Moreno. The text messages create a picture of the thinking of CPT Moreno and other Army officers. There are more text messages, but we limited the number to 32 snapshots that clearly describe the depravity and racism the United States Army can be proud of. Like it or not, this is the unvarnished truth of what goes on in today's new Army.

#1 - CPT Jose Moreno to Graham Collins wishing his pregnant girlfriend gets hit by a bus.

#2 - CPT Jose Moreno to Graham Collins bragging about sleeping with NCO April Jeffcoat and she is #9 for females he has slept with at the National Guard Bureau (NGB). Graham Collins is an Army officer. He not only is enjoying this type of behavior but condones it as well.

#3 - CPT Jose Moreno to Joel Bliven responding to his inquiry about Lieutenant Colonel (LTC) Ginger Weitholder and her best friend Shannon Monihan who was visiting from Oregon. CPT Moreno was proudly letting Bliven know he slept with Shannon in Ginger's bed.

#4 - CPT Jose Moreno to LTC Ryan Nelson discussing LTC Ginger Weitholder's best friend Shannon Monihan. LTC Nelson was hanging out with fellow officers to include one Jose slept with (Army Major Tania Sang). LTC Nelson is inquiring why CPT Moreno had a sad face. CPT Moreno felt bad about sleeping with LTC Weitholder's best friend on her own bed while he was having relations with LTC Weitholder. Ginger asked CPT Moreno to "take care" of her friend while she was out of town. LTC Weitholder was still married at this time as well which means a violation of the UCMJ.

LTC McCormic states he needs hood rat Jose and states you can't treat these "hoes" right because they don't know how to act when you do... Treat them like shit and they won't leave you alone. MC.com believes that asshole needs to work at the Department of State.

#16 - LTC Tim McCormic to CPT Jose Moreno enticing him to send a nude photo of Whitney. CPT Moreno thought it was Ginger Weitholder because she has a tattoo (AKA: tramp stamp) just like that in the same spot. CPT Moreno would know as he had relations with her and her best friend.

The image displays four sequential screenshots of a text message conversation. Each screenshot is labeled with a number in a box at the top: 13, 14, 15, and 16. Tim McCormic responds with 'Haha yes' and 'Good, don't be jealous because I just had brunch with her. She asked how you were doing.' CPT Moreno says 'I wouldn't try to run up into a chick that I know one of my sidekicks has a thing for. It's bad form. It'll be like you trying to run up in Alexx.' Tim McCormic replies 'I was joking' and 'I'm out of the game'. CPT Moreno says 'I just wished I were there I meant'. Tim McCormic ends with 'No, you aren't out of the game. Just on the sideline for a moment'. The date is Nov 27, 2020, 10:53 AM.

Screenshot 14: Tim McCormic says 'If you get hot blonde civilian chick from the building, I'll buy you a trophy'. #18 - CPT Jose Moreno to LTC Tim McCormic stating he was looking online and found some legal steroids to purchase. LTC McCormic states he has pins if he gets some. They also need to get "clomid" for the post cycle therapy too. Clomid is used during Post cycle therapy (PCT) after completing a cycle of anabolic steroids which is illegal. But legality issues do not seem to bother these Army officers.

#19 - CPT Jose Moreno to LTC Tim McCormic to tell him he photoshopped his face and LTC Ryan Nelson's head on the two individuals in the photo. He's saying, I'll have to replace LTC Nelson's head with yours. It's a sight to see when military officers act like children.
