Maj. Tabolt & others -

I am baffled why you acknowledge I brought up an issue, yet **decline** to consider the rest of my testimony. Again, it appears like you and base law enforcement merely **cherry pick** what serves your side of the narrative.

Also, look at dates. See attachment titled "MPL Expenses Cease Immediately...". That's Sean Stewart w/ MWR marketing acknowledging that G8 was looking into questionable expenses in November 2020. How did MWR cover up a minor investigation in November 2020, but then uncover questionable expenses when I brought the issue up in February 2021?

Also, I was onto the scheme much earlier. See the item titled "Authorized_b4_requesting...". I caught on and took photos of Sean pre-authorizing a purchase order request mid-October 2020.

The FY budget concluded in Sept/Oct 2020. I merely waited to see if I was going to be pressured to submit a forecast for the FY 21 budget (which surely happened in February 2021).

Also, why did Mr. Justin Glenn leave out virtually all information (evidence) that I initially submitted during his "informal" investigation that he agreed to as "formal"?

Finally, why didn't Fort Carson push up its report to the GAO (as other FY 21 Anti-deficiency act violations appear in a downloadable pdf at <https://www.gao.gov/products/b-333630>).

Please answer the questions above.

Ronald

Mr. Coyle

We have all necessary documentation pertaining to your case. An independent legal advisory has reviewed the case and necessary action has been conducted. Your involvement in this case has ended, please discontinue corresponding with this office in regards to the matter. If we have further requirements or questions in the future we may contact you, however this is very unlikely as you have no further involvement in this case.

You are not a subject in this case.

We have all necessary documentation and evidence required for the case.

Please discontinue correspondence with this office in matters pertaining to this case.

Very Respectfully,

MAJ Russ Tabolt
Command Inspector General
4th Infantry Division, Fort Carson
Office: (719) 526-9489
DSN: (312) 691-9489
